WHAT pleases a girl best (what are women like girls grown up?) more than a gift that shows you know her likes and dislikes—chosen because you know it is something of which she is particularly fond?

What is dearer to a woman's heart than a gift intimately personal—to help her become more attractive—lovelier—more beautiful?

Bright Jean Paro—with all the hints of atmosphere which is truly feminine—these ideas of beautiful gifts for women—creations of that master Frenchman, Monsieur Vivaudou.

Study this page with care. Carefully select your gift. Then go to the nearest department store—or high class drug store and ask, at the velvet goods counter, for the Vivaudou Christmas gifts you wish. All the rules people know, these gifts will—and recommend them highly.

A Vivaudou Christmas gift will delight the lady of your heart and is sure to be received with warmest appreciation and gratitude.

For so small an investment, here is real value and certainty of delight and gratification for one you most wish to please.
